# Imagine what you'll accomplish together

Autodesk fosters open communication with Slack

Slack is a collaboration hub for work, no matter what work you do. It's a place where conversations happen, decisions are made, and information is always at your fingertips. With Slack, your team is better connected.

## Start with a workspace

### Find your Slack workspace

Join or sign in to existing workspaces.

### Create a new workspace

Get your company or organization on Slack.

You're already signed in to these workspaces:

INIPRO

Launch

All Rounder

Launch

## Check your email!

We've sent a 6-digit confirmation code to **et\_test\_testsefsd@gmail.com**. It will expire shortly, so enter it soon.

<input type="text"/>	<input type="text"/>	<input type="text"/>	—	<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------	---	----------------------	----------------------	----------------------

Keep this window open while checking for your code. Remember to try your spam folder!

**What's the name of your company or team?**

| Ex. Acme or Acme Marketing

**Next**

## What's a project your team is working on?

Ex. Q4 Budget, Website Update...

Slack can only handle letters, numbers, spaces, and dashes here, with up to 21 characters. Try again?

Channels

#embedded-proj...

#embedded-project

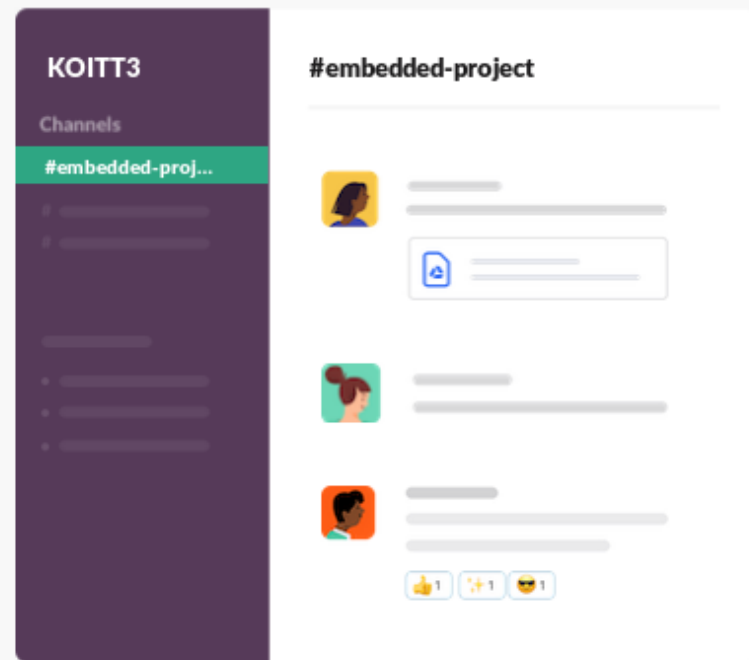

## Tada! Meet your team's first channel: #embedded-project

A channel brings together every part of your project – the people, conversations, ideas, updates, and files – so your team can move forward and get more done.
